victoria

Victoria has walked into her friends' salon. They are cleaning and actually shut down for the day, but once they get a little peek at what she has under her clothes, they make an exception. They playfully argue about how sexy Victoria really is. They say that maybe if she had less clothes on they could tell. Next thing you know she is half naked, playing with her dildo for them.

I'M DOUBLY PENETRATED

Soon she's sucking on both of their hard cocks. Then it's back and forth as the guys take turns between her mouth, pussy and ass. She really likes to party and she doesn't stop there, nor does she seem a stranger to a hard DP. They ride her hard blowing loads onto her pretty face and boobs. It looks like Victoria found a proper place to have her sensuous body adored.

Jeannie and her new neighbor decided they wanted to get down and dirty! After all she was on the neighborhood welcoming committee and wanted to do the right thing. But all the fun was ruined when her boyfriend comes home unexpectedly! Her neighbor jumps out of the room through the window and just left her there naked in only her gym socks. When her boyfriend came in to the bedroom, he saw her like that and immediately

SLOW RIDE

She was letting me savor every minute and I was loving every minute

I sat down on the bed and I reached out and started to fondle her long dark hair. It hung down her back all the way to the cheeks of her rounded ass.

"Oh! That tickles and drives me crazy at the same time," she said. She took my other hand and held it for a very long time, tight, close to her heart, which was pounding passionately; almost as if she were making the decision of morality or reality.

She started massaging my hand and fingers. I turned her around to face me and kissed her hand very lightly, and then I kissed her lips. They were so soft and wet. I felt electrical shocks charging my pussy. We looked at each other until we were both getting so wet we couldn't stand it.

Then I gently pulled away from her and started a slow sensuous climb up her arm to her shoulder. All the while, our kisses were getting more and more passionate. Our eyes never blinked, fluttered, or left each other; we seemed to be completely within each other. Neither of us realized what we were doing until I felt her hand, ever so lightly, on my thigh. The sensations shook both of us out of our sexual stupor. I continued from that moment to seduce this fabulous creature.

I could tell she had cast all inhibitions aside for this fantasy come true. I slowly unbuttoned her blouse and the most voluptuous tits I had ever seen were waving distinctly under my nose. I smothered one tit with tiny hot kisses from inch to inch, and then moved on to the other, then back again and again. I sucked and licked her nipples until they were like tiny hard penises standing erect, waiting and burning to be eased.

This was merely an appetizer for me. She was letting me savor every minute and I was loving every minute; yet there was such virginity and inexperience in making love to this woman, that I kept having one orgasm after another. I was loving making love to her. I unzipped her jeans and removed them. I asked her if she was comfortable.

"Yes, but I want you to take your clothes off, too. I want to see and feel your body all over mine,"

was her answer.

At that moment, she started pulling my t-shirt over my head and slowly started sucking my tits, at the same time. I fingered her hot juicy cunt the whole time she was getting involved with my tits. She was getting wetter and wetter and I was about to explode. I made her stand up and I laid down on the bed with my head on the edge, slightly hanging off the bed and pulled her hot pink pussy over my face.

Her love potion was so sweet and warm I thought I was falling in love. I reached up and tweaked her nipples and she came wheeling down on top of me in one hell-of-a climax. I held her close and massaged her tits gently while she gradually calmed down and stopped trembling and jerking.

I could feel her heartbeat slowing down. So, I barely pinched her nipple a little bit to see what kind of hot baby she really was. She was hot. Her heart pounded when I would merely run my hand across her nipple. Then I rolled over and began sucking her tits again, only more gently as to simply building a confidence of which she was not sure of.

Quivers surrounded us both. She reached down and took my hand away from my dripping pussy and put it on hers. Then she reached over and put her hand on my pussy. I knew then that she was unsure what to do.

"What's mine is yours to do with as you wish. Treat me as if I am you and you are all alone. Do to me what you would to yourself," I told her, and she started masturbating me slowly and delicately. Every now and then her finger would get barely inside my pussy and this was not enough so I reached down and expertly slid my finger into her already throbbing cunt. When I did, she instantly rammed her finger up my pussy, sending chills up and down my spine.

It was all I could do to keep from coming all over her and the bed. She started running her finger from clit to asshole and playing in my pussy on the way. I was coming no matter what she did now, I was coming. She started hunching my hand and we grabbed each other's tits and frantically held on for every last breath we had in us, clutching, holding, squeezing, patting, moaning, breathing.

We had come together and collapsed together. And we are still together.

THREE'S COMPANY

This may sound bizarre to some readers but from being a straight arrow sexually I had suddenly found myself with two chicks—and the happy problem of keeping them both satisfied.

I met Karen and Cheryl, who are best friends at a party, and we have been partying ever since. In fact both of them have moved in with me for the summer at my cabin (so there are bears outside and "bares" inside).

Karen is tall and willowy with small, big-nipped breasts and a beautiful face. Cheryl is rather tiny with a dimpled chin, large round tits and a su-

per ass. Karen is a bit bitchy in her sexual tastes, and leans toward pushiness. Also, she is one of the best fucks I have ever had.

Lovely Cheryl is more laid back and I must say I have never met a girl who can suck cocks like this honey. Sometimes when she has a mouthful of my cock she enjoys having Karen call her filthy names such as "cocksucker" and "slut." Then Karen straps on her big dildo and shoves it was up Cheryl's lovely ass. When Cheryl gets it up high, she begins to suck me like a pro and it isn't long until I shoot my big load between her loving lips.

What really turns me on is when Karen makes me a riding crop as I ride her around the cabin. Cheryl loves to watch this and claps her hands like a little girl at the circus when it happens. The more fun we have together, the more I am convinced I have fallen in love with both of these sexy ladies!

Last night Karen instructed me to lie in the big circular bed and then she sat astride my chest, leaning forward. "Suck my pussy!" she said. While I eat her, Cheryl licks my prick and balls. Finally, when Cheryl tells Karen my cock is hard enough, Karen slides down and opens her legs to capture my big thick dick. Then she begins to fuck me with those lovely hip movements while Cheryl strokes my balls.

After a while and some "warning" from Karen that if I come she'll let me have it, Cheryl sits on my chest. Then I lean forward and suck her big nipples or push my tongue between her large tits. I kiss and suck, suck and kiss, and it seems I can't get enough of this hot little bitch.

Meanwhile, Karen is working those perfect hips against my hot cock. Finally, when I feel as though I can't hold back my hot load of cum, I tell Karen and Cheryl moves up so her soaking snatch is over my mouth. So I suck and then shoot.

One evening, we decided to try something different and we talked it over as I finger-fucked both of my sweet loves. Karen put Cheryl on her stomach, her lovely ass high in the air and directed me to shove my prick into her welcoming snatch. Then as I pumped her,

Karen held my balls in an iron tight grip. Suddenly, she made me pull out and push my wet prick into Cheryl's asshole. I loved shooting my load into that forbidden area. What I really enjoy is when Karen straps on that big dildo and shoves it up Cheryl's sweet snatch. Karen's hips really move as Cheryl takes all she gives and asks for more.

Cheryl loves it when I play around with her, and Karen tells me exactly what to do. I gently push her down and try to overpower her but she pushes back. Karen cheers me on by telling me what to do next. "Eat the bitch's dirty cunt!" she yells and I follow orders as my cock gets so hard I feel I am going out of my mind. Finally, I put Cheryl on the floor and fuck her just like I would if she was a stranger. She usually fucks me until we both come and then Karen takes us into her arms and calls us all the filthy names you can imagine while she tongues our sexual parts and our mouths.

I hope we will be together forever. And if it were possible to marry two women at the same time, I would marry my sweet Cheryl and my demanding Karen, the two women I love the most in the whole world.

Kimberly

Sensuality and sexuality are both very good things. That is why Kimberly likes to tease the camera. And surely you know that sexy blondes are also great, but how about having a very sensual blonde with a great face and hot body? Well, that is what you get when you discover Kimberly. That just goes without saying, and any guy would agree that she is a nice little package.

MY PUSSY'S HOT TODAY

As far as her body, she is thin and a bit athletic. But what's more important is that she knows how to show the camera and all you guys a good time. That's why she likes to squat down on her chair and open her tight little pussy for you. She then goes a step further by toying that sweet pussy with a cute blue vibe she kept hidden away. Now that it's out, time to put it in.

Sasha's on her way to a club when she is stopped by one of the club's bouncers and a security guard. The two take her to an interrogation room for a secondary screening where they inform her that they won't let her go inside without an autograph for each! She complies and says she can do better than that. She sits down and motions the two guys around her.

TWO HARD COCKS

Soon, the bouncer has his hand under her panty and the security guard is stripping her clothes off. Sasha relishes the two cocks to suck! After a good licking of her pussy, the security guard jams his cock into her pussy as the bouncer positions himself under her as their two cocks invade her pussy and ass. You DP fans can rejoice as Sasha is more than happy to please two of her most ardent fans!

I love my body. Some of the guys I dated tease me about the size of my boobs but I always tell them to go take a flying leap. They may not be huge but they are crazy sensitive and when I pinch my nips I get wet down below. I'm happy with what I have, thank you very much! Mike loves my boobs, and my ass. Yes, he's quite the ass maniac and I think I'm one too. So I tell him I'm ready to rock and roll.

I LOVE A GOOD ASS FUCK

She flashes him a huge smile as the password and is granted rear entry to the fuck jam. Chanel struts her fine li'l ass straight to the bed where she teases him a bit of sloppy cock-sucking where Mike can't help but shove his cock down her pretty throat. He's turned on by this hot piece of ass and makes sure he pounds that butthole right. Chanel loves getting it in many positions and getting her booty hole fucked hard.

She was practically a virgin and she was begging me to fuck her. I was only too eager to help.

long haul trucker

Lianne took the dispatcher job almost a year ago. She is young, maybe 19 years old, and came to the company right out of high school as a newlywed.

Every guy in the place had tried to get in her pants, including me, but all had failed miserably. Lianne was happily married and had no interest in fooling around, but she did love to flirt. She is sexy as hell and I don't believe she realizes just what her ripe, young body does to a horny old trucker. Especially her low-cut shirts. They give any man who visits her desk a good look at her big, beautiful tits.

I have the longest run in the place. Usually, it takes me out of town on Monday morning and I don't get back in town until Thursday evening. After four days on the road, I'm normally ready to fuck a brick. And when I walk in I'm greeted by sexy, flirty Lianne.

Frequently, I'll bring her a little souvenir from one of the cities I've been to. She is like a little girl in a lot of ways. No matter how tiny the present, she always squeals and makes a big deal out of it. The first time I did it, she gave me a big hug and a tiny peck on the lips. It was about what she'd have given her daddy. She certainly didn't intend it to be sexy, but in my horny condition, I nearly shot my load when her big tits touched my chest. The hugs and kisses became a regular routine. After a while I'd get them even if I had no gift.

Lianne would greet me at the door, throw her arms around my neck, and give me a kiss that I'd make last as long as possible. Usually, my cock was pressed to her crotch. If she noticed, she never mentioned it. I never failed to get a good hard-on as I cupped her soft, hot ass in my hands and tasted her sweet lips on mine. I usually sat at her desk and chewed the fat with her while she took care of my paperwork.

As the months passed, we became pretty good friends. She told me more than once that she and her new husband were having some difficulties in the sex department. My dick would jump like crazy in my jeans every time she mentioned it. Just the thought of slipping a stiff cock into her practically virgin tunnel made my hands shake.

She became my fantasy girl. On long, lonely stretches of road, I'd get to thinking about her naked body and before long I'd be jerking off while I pictured her squirming under me as I pumped my dick into her.

About three months ago, she confessed that she had stopped having sex with her hubby. Only problem was that I had a screaming erection the entire time she cried on my shoulder. I was ashamed of myself but if anything I wanted to fuck her more than ever.

I respected her too much to do anything about my secret lust. I'm sure nothing ever would have happened if I had not walked in on her while she was crying. It was Thursday night and the end of a very tiring run. As usual, I was horny as hell. I

BLAIR-NTS-09

wanted to get the paperwork out of the way quickly and get home to my wife. That night, I didn't want to flirt; I wanted to fuck.

Lianne didn't run to the door and greet me but instead sat behind her desk, sobbing her heart out. Her tears turned me into a great big marshmallow. I walked over to her chair and let her put her head against my side while I ran my hands through her long, silken hair.

She was really upset. I stood there trying to calm her down while I petted her head for a good 10 minutes. Surprisingly enough, I didn't even have an erection. I really felt sorry for my little friend. Once she stopped crying, I asked her if she wanted to talk about it. At first she was silent, but finally she nodded her head.

She had her arms around my waist in an almost painful bear hug. The front or my shirt was damp from her tears." It's Billy," she sobbed. "He doesn't love me anymore."

"It's okay," I mumbled, very self-consciously. "You kids probably are just having a fight. Heck," I teased, "Making up is half the fun."

She tried to smile and loosened her grip on my waist. Her arm fell naturally across my crotch, the heat form her soft flesh soon had my dick standing at attention. She didn't move her arm but went on to explain.

I couldn't believe my ears. The girl was absolutely gorgeous and for some reason he stopped fucking her.

"I don't know what I'm going to do," she cried. "I like doing it. I get all itchy and squishy down there," she blushed as she looked at her lap.

My swollen cock jumped under the light pressure of her arm. She was rocking it ever so slowly as she told me her tale of woe. I felt like a heel, but I was ready to come in my pants just from listening to the young girl talk about her sex life. I wanted to get out of there before I did something that would make me feel like an ass. But she was still too upset to leave her.

"What about you?" she asked, as she looked up at me with those big, brown, sexy eyes. "Do you still do it with your wife?"

"We still fuck around every once in a while, but it's nothing too exciting," I teased, trying to get a smile out of her. She managed about a half grin and nuzzled her face deeper into my side.

"I like you," she whispered. "Me too," I muttered, with a lump in my throat. Her grip was loose enough that I managed to lean away from her and sit on the edge of the desk. My legs were too weak to hold me. An image of her beautiful mouth sucking my cock while I leaned there flashed through my mind. I also thought that it was a good thing she couldn't read my mine or she would have slapped my face.

It wasn't long before she shot that theory all to hell. "I'm juicy down there right now," she murmured, as she lifted her skirt up her long, shapely legs. Her white silk panties came quickly into view. The crotch was dark and wet.

I gasped for breath and mumbled her name. "I tried to satisfy myself," she blushed, "But maybe you could do it for me? "She asked, with complete trust in her sad, brown eyes.

In my heart, I knew that once I started I'd never be able to stop until my cock was deep in her pretty, pink pussy, splattering it with jism. What could I do? She needed my help.

So I knelt and began to masturbate her. I took her tiny hand in mine and guided it to her wet crotch. I pressed two of her fingers against her clitoris and began a slow, rotating motion.

She started breathing funny and her ass went absolutely wild in the chair. She squirmed and wiggled and moaned while both our hands massaged her sensitive love button. Her pussy was so hot that waves of heat bathed my hand as I helped the poor girl jerk off. "That feels so good," she groaned as the first waves of shivers of a tiny orgasm shook her entire body.

BLAIR-NTS-10

"It's even better without panties," I grunted, as I took her hand and mine and slipped it under the elastic of her panties. Our hands moved quickly over the bristly patch of pubic hair and came to rest in her open, wet slit.

She moved her hand aside and let mine dip into the hot, juicy groove. The little girl wanted to come. And I was determined to help her as I allowed my middle finger to slip gently into her tight tunnel while my thumb stroked her excited clitoris.

She threw back her head, thrust her hips toward my busy fingers and screamed, "Yes ... I'm coming ... don't stop ... it feels so good!"

Her legs held my hand captive until the waves of the orgasm ceased. I pulled my hand from her panties and resisted the urge to lick her pussy juice from the sticky digits. "Wow!" she sighed, as she looked up at me with trust and gratitude. ''That was great."

I was too aroused to quit so easily. "Know what feels even better?" I asked with an embarrassed grin.

"No, what?" she answered, very seriously.

I ran my tongue around my lips; she watched as though in a trance. "You mean you wanna eat my pussy?" she asked, grinning ear to ear. For an answer, I knelt and tugged at the top of her panties. She lifted her ass off of the secretary type chair until I had them down to her ankles.

Once the panties were off, I stopped long enough to unbutton her blouse. I was surprised to find no bra. The silky-smooth flesh of her breasts was already beginning to get my head spinning.

I kissed and sucked each tender tit in turn before I very deliberately put her legs on my shoulders and inched my mouth toward her open wet snatch.

She slid as far up on the seat as she could, trying to speed up the contact. I wanted her to be ready. I wanted her to go off like a roman candle when my lips finally touched her pink, glistening treasure.

So I kissed and licked my way up the hot insides of her thighs. Her reaction when my mouth finally tasted her ready slot was beyond my wildest expectations. She grabbed the back of my head and shoved her quivering pussy forcefully against my face.

She wasn't just having another orgasm, she was fucking my face. She squirmed. She wiggled; she moaned; and she screamed as the wonderful spasms shook her entire body. I could hardly breathe, but somehow it didn't seem important at the time.

She held me there until she was finished. I stood and licked the juice from my lips and chin while she stared up at me through half-glazed eyes. I think at that point, I still could have walked away without actually fucking her. But Lianne had other ideas.

"Now," she smiled, "it's your turn." As she spoke, she stood and sat on the desk and pulled me between her legs. She was surprisingly quick as her fingers unzipped my jeans and freed my throbbing monster. She placed it at the hot, tight opening of her slippery pussy and looked up at me.

"Are you sure?" I stammered, with the last ounce of willpower I had remaining.

"I'm as sure as I'll ever be," she giggled as she put her hands on my ass and pulled me into her ready slit.

It was hot, wet and tight. I was ready to shoot off before my cock hit bottom. I managed about a dozen hard, deep thrusts before my seed erupted into her pulsating pussy. She held me deep in the steaming channel while she milked me dry and came again and again as my jism bathed her warm insides.

I've managed, since that night, not to be alone with her again. I don't trust myself. I seem to want her more now than I did before it happened. I'm afraid Liane's pussy might be addictive.

Khloe

Khloe's always had a very squeaky clean reputation for as long as she can remember. But she leads a double life. She works at the college library during the day and as a a go-go dancer at a club at night. She meets all sorts of different people at the library and some of those same people at the club. She first met Wesley browsing in the Classics section, and then again at the club that same night.

SPLOOGE ON MY FACE

At the club she found out he was a history tutor and asked if he would help her. She did not have any intention of studying. Wesley tried to sit her down to begin studying. She kept grabbing his cock during the session and he finally gave in to the temptation. She sucked his cock and hopped on that dick. She got her pussy pounded and received man milk all over her. Okay. Now, when did the Roman Empire come to an end?

megan nataly ivana megan

School's over for the year and the four best friends are waiting for Ivana's boyfriend to come pick her up. She usually hangs around for the fun, but today they're off to buy her engagement ring. No matter, because Danny will come by and bring a camera and his huge cock. Which of the three hotties will get to play with it today?

GIRLS GONE CRAZY

When Danny finally gets there, they had already been warming up with tongues and vibrators, they set out to prove to him just how naughty they can be now that school's done! They strip him and discover his big hard dick ready and waiting. Nataly is the newest one to the group and had not yet had Danny. But she was ready, and immediately sucked and fucked her new boy toy while Megan licked her wet pussy!
